FOREWORD
FOUNDER WESTERLAKEN FOUNDATION

Westerlaken foundation, in cooperation with its Indonesian partner branch, Yayasan Bali Bersih, focuses on human and children rights, marine life, emergency relief and cultural heritage management since 2018, but as a follow up of stichting soul surf project Bali, since 2008.

Westerlaken foundation actively recruits funds, finances research and has an advising role towards its Indonesian branch, Yayasan Bali Bersih. Yayasan Bali Bersih does ‘the job on the ground’, as designated by Westerlaken foundation. Westerlaken foundation has a board of 3 people, myself, Mrs Westerlaken - voor den Dag and Mr. Shandy Wijaya. The latter is also the chairperson of Yayasan Bali Bersih, in which I am pembina, a role mixed role between chairperson/founder.

The objectives of Westerlaken foundation, and as such of our branch in Indonesia, are in line with the following United Nations Sustainable Development Goals:

1. No poverty
2. Zero hunger
3. Good health and well-being
6. Clean water and sanitation
10. Reduced inequalities
11. Sustainable cities and communities
13. Climate action
14. Life below water
15. Life on land
17. Partnership for the goals

Westerlaken foundation looks forward to dialogues, presentations, workshops and having a consultant role to solve issues in a spirit of cooperation with all GO’s and NGO’s involved.

Why Westerlaken foundation was founded?
Westerlaken foundation is founded as a follow up of foundation soul surf project Bali. Westerlaken foundation has a wider focus, mainly on financing research in the field of marine environment, human rights and children rights. The foundation prefers a combination of the prior subjects. Subsequently the foundation focuses on financing emergency relief and has a consulting role towards cultural heritage management issues. Occasionally the foundation finances the return of cultural heritage to Bali.

How will the foundation reach its purpose?
Westerlaken foundation will work demand based. Initially any individual or NGO focusing on South East Asia and specifically Indonesia can request funding of Westerlaken foundation, though the focus lays mainly on financing the work of our branch Yayasan Bali Bersih. In certain circumstances Westerlaken foundation will actively look for cooperation partners, for example in the field of emergency relief.
Westerlaken foundation will gather funds by means of monthly and incidental donators and crowdfunding.
